By order,

GOVIND H. SETH,
Secretary (Development)
to the Delhi State Government, Delhi.

Draft Amendment

After rule 51 the following shall be inserted namely :—

'52' Qualifications & Tests for operators engaged in repairing Boilers by Welding.

Scope

The scope of these rules is confined to persons employed on repairs to boilers by the oxy-acetylene or metallic arc welding process. When the latter process is used, it shall

be with reference to the context of Regulations 94 to 98 of the Indian Boiler Regulations, 1950.

Definitions

The definition of all terminology used in these rules shall be as defined in the Indian Boilers Act, 1923 and the Indian Boiler Regulations, 1950.

The term "qualified welding operator" shall mean a person who has passed the test described in these rules.

"Testing Authority" means the Chief Inspector of Boilers or a person or persons approved by the Chief Inspector.

General

No repairs by welding of any kind shall be undertaken by any person without the previous sanction in writing of the Chief Inspector of Boilers.

Age and Training of Candidates for Qualified Welding Operator Tests

No person who wishes to qualify as a welding Operator shall be below the age of 19 years.

(1) He shall produce to the satisfaction of the Testing Authority that he had been employed as an apprentice welder in a workshop or firm where repairs of pressure vessels by welding are undertaken for an aggregate period of at least two years, the whole period having been spent in acquiring practical experience.

(2) Understands the principles involved in the theory of welding by the oxy-acetylene and/or electric arc as processes, as is familiar with the various forms of welding, the reinforcement necessary for fillet welding, the support essential when carrying out extensive welding of flat or circular objects, is able to appreciate the stresses induced as a result of its application, understands the necessity for avoidance of slag inclusions, is able to regulate the medium of welding according to the needs of the occasion, and understands defects arising out of improper technique or material.

(3) Possesses or is able to produce a medical certificate of fitness and good eyesight.

Tests to be Prescribed by Testing Authority

In addition to any test, the Testing Authority may demand, the following minimum tests shall be undergone.

(i) Three separate specimen test pieces each in two halves shall be prepared from ordinary 5/8" thick boiler quality plate 12"×9" (formed of two pieces each 6"×9") and the edges of each piece prepared for welding along the minor dimension of each specimen. The preparation for welding shall be such that when the two sections are brought into position, a welding groove 70° to 75° shall be formed.

(ii) One of the above three separate sets of test pieces must be welded :

- In the horizontal position as laid flat on the works table ;
- One in the vertical position with the specimen laid edge-wise and welding groove being vertical ;
- One with the specimen laid so as to obtain overhead welding.

The three welding positions are shown in sketches C, C1 and C2

(3) The operator shall be called upon to decide the quality and grade of electrode or welding wire he proposes to use and the number of runs to be made. The Testing Authority shall take due notice of the operator's choice at this stage for the final assessment of his work. He shall also take note of the operator's manipulation of all controls, such as, voltage, ramperage, striking of arc, gas pressure, and its steadiness etc., for the same purpose.

(4) The specimens should on completion be scribed across the line of weld for the various sections to be removed and each section stamped with the operator's initials, Serial Number, and date of test and stamp by the Testing Authority.

(5) Visual Examination.—The Testing Authority shall assess the operator's work for the following :—

Undercutting, blow-holes evenness and dimension of deposit, slagtrap, penetration, bead etc.

(6) The Testing Authority shall carry out the following tests on the operator's test specimens in order to assess his work, removing and discarding strips about 1/2" wide from each end of the weld and at right angles to it.

(i) Reduced Section Tension Test

A strip 1½" wide shall be removed from each specimen and dressed as shown in Sketch A. The Correct measurements of the reduced portion shall be recorded and the specimen subjected to a rupture test under a tensile load. The tensile strength of the reduced section shall be not less than that of the base material used.

(ii) Bend Test

(1) A strip 1½" wide shall be removed from each specimen and the edges smoothly dressed. The strip shall then be subjected to a face bend test, withstanding being bent through 120° around a former having a width 4 times the thickness of the specimen, with the face of the weld in tension in a hydraulic or other such machine.

(2) A strip 1½" wide shall be removed from each specimen and the edges smoothly dressed. The strip shall then be subjected to a root bend test, withstanding being bent through 120° around a former having a width 4 times the thickness of the specimen with the root of the weld in tension in a hydraulic or other such machine. A suitable former is shown in Sketch B.

In each of the two tests (1) and (2) above, the test specimen should not show signs of fracture. In the event of failure commencing at 120° or before, the fracture should be completed and examined for the following factors :—

(a) Degree of fusion

Fusion should be complete over the whole area of the joint surfaces.

The fracture should be inspected for lack of fusion. This may occur at the surfaces to be joined, and/or between layers of weld metal. Lack of fusion at the joint surfaces is indicated by the retention of the original form and surface markings ; between layers of weld metal it will appear as lines between the layers.

(b) Degree of root penetrations, butt and fillet welds

Defects are most likely to occur at the root of the weld and in this position they are liable to have the maximum effect in reducing the strength of the weld. A close examination of the root should, therefore, be made. In Vee butt welds the first run should normally penetrate right to the underside of the plates, producing a penetration bead of the size required. In normal fillet welds with good root penetration the weld metal should reach the corner.

(c) Non-metallic (slag) inclusions and gas cavities

Non-metallic inclusions may consist of matter from the rod and flux used or from the electrode. Unless they are caused by use of unsuitable materials, they are attributable to the quality of workmanship, the desired result being to achieve a uniform appearance and freedom from cavities.

(d) Quality of Weld metal

Inferior quality of weld metal may be caused by incorrect welding technique. In metal arc welding the defects will generally be due to excessive arc length or speed or incorrect current. The fracture will not possess its customary clean appearance but will reveal voids, oxide films and slag inclusions. In gas welding faults may occur due to excessive oxidation, carburisation and overheating. If present to a considerable extent, they may result in a rough, porous, discoloured and lustreless appearance in the fracture.

Awarding of Marks

Three hundred marks shall be awarded for the three completed test specimens, 100 being awarded for each test specimen, in following manner.

Item.

(6) That Respondent No. 1 has been guilty of corrupt and illegal practices set forth below.

(7) That Respondent No. 1 has been guilty of major corrupt practices under section 123(7) of the Representation of the People Act, 1951, as under :—

- (i) Respondent No. 1 has incurred, by herself or through her agents, expenses on account of conduct and management of the election in excess of the maximum amount specified, in respect of the New Delhi Parliamentary Constituency; in

Schedule V, thus contravening Rule 117 of the Rules made under, and section 77 of, the Representation of the People Act, 1951.

Full particulars of this aforementioned corrupt practice are contained in List No. 1 attached herewith.

- (ii) Respondent No. 1 has, in connection with the election, employed for payment, by herself and her agents, persons other than and in addition to those specified in Schedule VI, thus contravening Rule 118 made under, and section 77 of, the Representation of the People Act, 1951.

Full particulars of this aforementioned major corrupt practice are contained in List No. 2 attached herewith.

- (8) That Respondent No. 1 has further been guilty of the major corrupt practice, under Section 123(6), Representation of the People Act, 1951, of hiring and procuring, by herself and by her agents, of vehicles for the conveyance of electors to and from the polling stations of Montessori School, Prince's Park and Lodi Road.

Full particulars of this aforementioned major corrupt practice are contained in List No. 3 attached herewith.

- (9) That Respondent No. 1 has also been guilty of the minor corrupt practice, under Section 124(4), Representation of the People Act, 1951, of making a return of her election expenses false in material particulars. The return is further not in accordance with the Rules and is no return in the eye of law.

Full particulars of this aforementioned minor corrupt practice are contained in List No. 4 attached herewith.

- (10) That Respondent No. 1 has further been guilty, under section 125(3), Representation of the People Act, 1951, of the illegal practice of issuing by herself and by her agents, circulars, records and posters, having references to the election, which did not bear the names and addresses of the printers or publishers thereof. This has materially affected the result of the election.

Full particulars of this aforementioned illegal practice are contained in List No. 5 attached herewith.

- (11) That there has been a further contravention of the Representation of the People Act, 1951, and the Rules made thereunder, as detailed below :—

- (a) That the polling continued at the polling stations of Deaf & Dumb School, Bela Road and at some polling booths at Jhandewala, beyond the prescribed time, i.e., 5-30 P.M. fixed by the appropriate authority under Section 56, Representation of the People Act, 1951, and published in the Official Gazette under Rule 16.

- (b) That Respondent No. 1's agents were doing the following acts vigorously within, and within the distance of 100 yards from, the polling booths in Rajinder Nagar, in contravention of Section 130, Representation of the People Act, 1951,—

- (i) Canvassing voters for the returned candidate;
(ii) Soliciting of voters for the returned candidate;
and
(iii) Persuading the voters not to vote for the petitioner.

- (c) That the ballot boxes were not opened one by one as required by Rule 46(1) (vi), but as many as 120 boxes were opened at the same time and their counting was simultaneous so that the Petitioner or her counting agent could not be present at the counting of the ballot papers of each box.

The result of the election has also been materially affected by the aforesaid illegal acts of the Respondent No. 1 and her agents.

- (12) That but for the votes obtained by the returned candidate by the aforesaid corrupt and illegal practices the Petitioner would have obtained a majority of the valid votes.

- (13) That, on the 6th March, 1952, Respondent No. 1 lodged with the Returning Officer a return of her election expenses, and the Returning Officer caused notice of the filing of the return to be published in the Official Gazette, dated 24th March, 1952, in pursuance of Rule 113 of the Representation of the People (Conduct of Elections and Election Petitions) Rules, 1951.

- (14) It is, therefore, prayed that the election of the returned candidate (Respondent No. 1) be declared void and that the Petitioner be declared to have been duly elected to the House of the People from the New Delhi Constituency.

LIST No. 1

1. Respondent No. 1 has only shown a total expenditure of Rs. 11,338 in her return of election expenses filed by her. The following election expenses incurred, by herself and by her agents, have not been shown by her in her Return :—

(a) Amounts paid for printing of posters at the Tej Press, Delhi, which were distributed amongst the voters at New Delhi between 8th December 1951 and 14th January 1952. Such posters were pasted at various places in very large numbers and the expenditure on such posters is estimated to be Rs. 1,000.

(b) Expenditure incurred on joint hand-bills and posters with Shri Surinder Nath Johar, printed by Khanna Litho Press, Delhi, which were distributed amongst the voters at New Delhi between 8th December 1951 and 14th January 1952. The expenditure on these posters and hand-bills should have been properly allocated to Respondent No. 1's share of expenses shown in her return. Such expenditure is estimated by the Petitioner at Rs. 500.

(c) No expenses have been shown by Respondent No. 1 in connection with her Election Offices at Lajpat Nagar, Lodi Road and various other places in Pahar Ganj, incurred from 8th December 1951 to 14th January 1952. Such expenditure is estimated at Rs. 5,000.

(d) Respondent No. 1 has not shown any travelling expenses or costs of entertainment incurred on account of her agents, clerks, workers and messengers for the election. Such expenditure, which is estimated to be Rs. 6,000, should have been shown in Parts (C) & (D) of her Return, which have been left blank. Even according to her own vouchers Nos. 38 to 46, 54, 164 to 165 and 206 to 214, submitted by her (along with the Return), expenditure incurred for this purpose on account of various persons mentioned therein, amounted to Rs. 3,144, though in reality such expenditure must have been much more than this amount. Again, vouchers Nos. 172 to 174, 192 to 198 and 200 to 205 show that several persons, the names of whom are indicated therein, were paid at Delhi (on the dates mentioned therein) a total sum of Rs. 1,269 to reimburse out-of-pocket expenses incurred by such persons.

(e) The cost of holding meetings after the 31st December, 1951, at various places in the constituency of New Delhi is not shown. The Press Reports from 1st January 1952 to 13th January 1952 show that on an average five meetings per day were addressed by or on behalf of Respondent No. 1 at Lodi Colony, Pahar Ganj, Vinay Nagar, Lajpat Nagar, Rajinder Nagar, Cantonments, Children's Park Connaught Place, Purana Qila and Central Power House. The Petitioner estimates the costs of such meetings which have not been shown by Respondent No. 1 at Rs. 2,000 in aggregate.

(f) No cost for purchase of party flags which were freely displayed at all meetings (in the constituency) and on all vehicles used (in the constituency) in connection with the election of Respondent No. 1 from 8th December 1951 to 14th January 1952 is shown in her return. The Petitioner estimates such undisclosed expenditure at Rs. 250.

(g) No charges, incurred on 14th January 1952 for hiring of furniture, decorations, transport charges, diet expenses by polling agents and other workers at polling stations have been shown. There were 219 polling stations and Respondent No. 1 had a small establishment at almost every such polling station. The Petitioner estimates such undisclosed expenditure at Rs. 4,000.

(h) The cost for printing and distributing slips issued to voters throughout the constituency (from 1st January 1952 to 14th January 1952) has not been shown. The Petitioner estimates such expenditure at Rs. 250.

2. The aforementioned expenses which have not been shown in the return add upto Rs. 20,269, which when added to the total sum of Rs. 11,338 shown in part L of the return gives a total of Rs. 31,607 as against the maximum of Rs. 12,000 allowed as election expenditure in terms of Rule 117 read with Schedule V.

3. Besides the aforesaid persons employed for payment by Respondent No. 1 (or her election agent), a large number of other persons were paid for piece work from 30th November 1951 to 15th January 1952 as mentioned with their names in the following serial numbers in part B of the return filed by the Respondent No. 1 :—

No.	Serial No. as per return	Date	Work	Amount
1	1	30-11-51	Piece work Rs. 4 per booth	Rs. A. P. 8 0 0
2	2	Do.	Piece work Rs. 4 per booth	12 0 0

4. Part B of the return filed by Respondent No. 1 shows that apart from the 140 persons whose names are shown as from serial numbers 120 to 259 and who were paid on 15th January 1952 at the rate of Rs. 3 per day, 32 different persons shown as serial numbers 31, 32, 34, 42, 44 to 63, 78 to 85 were paid on 15th January 1952 for piece work from Rs. 1-10-0 per work to Rs. 4 per work or per piece. It is not clear what is meant either by the words "per booth" in payment for piece work made on 30th November 1951 or the words "per piece" and "per work" for payments made on 15th January 1952.

LIST No. 4

1. Respondent No. 1 has not properly and correctly shown in the return of election expenses filed by her the expenditure incurred by her in connection with the election.

2. Respondent No. 1 has not filed complete vouchers regarding the expenditure incurred by her and shown in the return.

3. Respondent No. 1 has not shown the description of the payees in the return.

4. The return is false in material particulars.

5. The objections in detail regarding each part of the return are given below :—

Objections to Part (A) of the return.

(i) The descriptions of the payees regarding the expenditure incurred in connection with this part have not been given in the return.

(ii) The expenses regarding election literature of the Kisan Mazdoor Praja Party have not been shown.

(iii) The cost for printing of voter slips which were distributed to all the voters on the list has not been shown.

Objections to Part (B) of the return.

(i) The addresses of the payees are not given.

(ii) The period for which remuneration was paid to the agents, clerks and messengers has not been mentioned in all cases.

(iii) No voucher has been attached to the return for items of expenditure shown in this part of the return except for payments covered by Voucher No. 215, which supports items No. 120 to 259, vouchers No. 157, 170 and 199 which support the corresponding payments in part (B) of the return, and the item of Rs. 6-8-0 in Voucher No. 211. Other vouchers filed relate to travelling and diet expenses of the workers as reimbursement for out-of-pocket expenses of workers, and do not tally with the items of expenditure shown in this part.

Objections to Part (C) of the return.

The expenses regarding travelling and cost of entertainment incurred by Respondent No. 1 (or her election agent) on account of her agents, clerks, workers and messengers for the election have not been shown in this or any other part of the return, even though according to her own Vouchers Nos. 38 to 46, 164 to 165 and 206 to 214, such expenditure amounted to Rs. 3,144, as already mentioned in para. 1(d) of List No. 1.

Objections to Part (D) of the return.

The expenditure of the nature required by Part (D) of the return has not been shown at all, although expenditure of that type was incurred by Respondent No. 1. All payments made for piece work, as shown in Part (B) of the return as submitted, ought to have been shown in this part of the return.

Objections to Part (E) of the return.

(i) The entire expenditure incurred by Respondent No. 1 on printing has not been shown in this part of the return. As pointed out in List No. 1, the detail of the expenditure on account of printing work done by the Tej Printing Press and Khanna Litho Printing Press and others has not been shown in this (or any other) part of the return.

(ii) The cost for printing of voter slips which were distributed throughout the constituency (from 1st January 1952 to 14th January 1952) to all the voters on the list and as pointed in List No. 1(1) (h), has not been shown.

Objections to Part (F) of the return.

The full cost of advertising incurred by Respondent No. 1 has not been included in this part of the return. The stencilling charges of the name and symbol of Respondent No. 1 on the walls of various buildings in the Constituency have not been shown. No expense in decorating a motor-vehicle on which a hut was erected has been disclosed in this part of the return. No expenditure incurred in connection with the pasting and distributing of posters and hand-bills throughout the constituency (from 8th December 1951 to 14th January 1952) has been disclosed.

Objection to Part (G) of the return.

The cost of the stationery which has been disclosed in this part of the return is on the face of it inadequate. Respondent No. 1 is reported to have sent circular letters with a personal appeal to all the voters on the list in different languages. The cost of stationery for sending out more than one lac letters to almost all the voters in the constituency (from 1st January 1952 to 13th January 1952) could not have been as small as has been shown in this part of the return.

Objection to Part (H) of the return.

The cost of postage and telegrams is shown at Rs. 50 which is not the full amount that has been expended by Respondent No. 1. Such expenditure actually incurred was much more than this amount.

Objection to Part (I) of the return.

Nothing has been shown in this part of the return, which is left blank. Respondent No. 1 was maintaining election offices at various places in the constituency and incurred a large expenditure as already detailed in List No. 1.

Objection to Part (K) of the return.

Nothing has been shown in this or any other part of the return about the expenses incurred in the installation and 'Call' charges for the telephones used in the election

campaign. Such expenditure could not be less than Rs. 250.

Respondents.

Election petition under sections 80, 81, 100, 101, 123, 124 etc., of the Representation of the People Act 1951 (Act 43 of 51).

The humble petition of the Petitioner sheweth as follows :—

1. That the Petitioner being the Indian National filed his nomination paper on 8th December, 1951 as a candidate for the election to Delhi State Assembly.

Respondents Nos. 1 to 10 also filed their nomination papers for election to the Delhi State Assembly from Kingsway Camp Constituency (No. 38).

2. That the date of scrutiny of the nomination papers was 10th December 1951 and of withdrawal of names 13th December 1951, and as a result of the scrutiny and withdrawal the Petitioner and Respondents Nos. 1 to 3 were left as candidates to contest the election to the State Assembly for the above mentioned constituency. Respondent No. 11 was the Returning Officer of the said Kingsway Camp Constituency.

3. The election was held on 14th January 1952.

4. That the result of the said election was declared on 23rd January 1952 in which Shri Jang Bahadur Singh Respondent No. 1 above was declared elected.

The votes cast for the candidates were as follows :—

(i) Ch. Surat Singh	3,436
(ii) Shri Jang Bahadur Singh	4,135
(iii) Shri Dhanpat Rai	226
(iv) Shri Ram Lal Sharma	123

5. That the Election Officer should have rejected the nomination paper of Shri Jang Bahadur Singh as his proposer Shri Nand Lal, Serial No. 25569, Kingsway Camp and his Seconder Shri Mela Singh, Serial No. 26279, Kingsway Camp failed to give or mention the part in which they resided in the said constituency and their names are entered and this contravenes provisions of Election Rules as appearing in Clause 6 Page 3 of the Nomination Paper as printed on page 708 of "Election Manual" of October, 1951. The election of Shri Jang Bahadur Singh is liable to be declared void and should be set aside on this ground alone. Kingsway Camp Constituency is sub-divided into two parts namely Civil Lines and Sabzi Mandi and separate serial number are assigned to the electors in each part.

6. The corrupt practices, illegalities and election offences practised by Respondent No. 1, among other, were as follows :—

(a) That the part in which names of Proposer and Seconder are entered are not mentioned in nomination papers of Respondent No. 1 Shri Jang Bahadur Singh and the nomination paper of Said Shri Jang Bahadur Singh was liable to be rejected and petitioner would have been elected to the State Assembly.

(b) That out of the 2,000 voters of the Police Lines, Kingsway, about 850 electors exercised their votes attested by proper official and sent them to the Election Officer by post. Out of 850 votes thus attested and duly posted 825 were in favour of the Petitioner.

(c) Out of the total of 850 votes only 60 reached the Election Officer and the rest were lost in post and failed to reach the said Election Officer.

(d) Shri Jang Bahadur Singh who admits to be a Vice-President of the All India Postal Union and has thus great influence with the Postmen, has benefited from this disappearance of about 790 votes from the Post Box and/or Post Office. But for this disappearance of the votes the Petitioner would have won the election as the Petitioner has lost only by a margin of 695 votes.

(e) That Shri Jang Bahadur Singh and his wife Shrimati Gyan Devi got printed, distributed and affixed several posters in Hindi and Urdu which were printed in Partap Press and Gupta Printing Works and Saraswati Press falsely and maliciously describing the Petitioner as No. 10 Badmash and bad character and therefore unfit and undesirable as member of the Delhi State Assembly. Copies of such posters were distributed and affixed in the Kingsway Camp Constituency with the sole purpose of influencing and prejudicing the voters of the said constituency against the Petitioner and lowering him in the estimation of all. The said posters materially affected the result of the election which the Petitioner lost. Copies of some of the posters mentioned above are filed along with this petition.

(f) That Shri Jang Bahadur Singh paid Rs. 650 to Shri Ram Lal Sharma and Rs. 1,000 to Shri Dhanpat Rai in order to get them announce their withdrawal from the election contest in favour of Shri Jang Bahadur Singh Shri Ram Lal Sharma and Dhanpat Rai consequently

made such an announcement in a public meeting at which Shri Jang Bahadur was present. This also constitute a corrupt practice.

7. It is, therefore, prayed—

(i) That the election of Shri Jang Bahadur Singh be declared void for reasons given above and Shri Jang Bahadur Singh be disqualified for standing in any election.

(ii) That the Petitioner may be declared elected to the Delhi State Assembly.

(iii) The cost of the election petition be awarded to the Petitioner.

(iv) Such other suitable order may be passed in favour of the Petitioner as the Tribunal and Election Commission deems fit and proper under the circumstances of the petition.

Petitioner.

Versus

Shri Jang Bahadur Singh & others.

Respondents.

Following is the list setting forth full particulars of corrupt and illegal practices committed by the respondent No. 1 and at his instance :—

1. The respondent No. 11, Shri M. L. Batra, Returning Officer, illegally accepted the nomination paper of Shri Jang Bahadur Singh, respondent No. 1, on 10th January 1952, at Kashmere Gate, Delhi. The said nomination paper ought to have been rejected as the proposer of the said respondent No. 1, Shri Nand Lal, and the seconder, Shri Mela Singh, failed to mention the part in which they resided in the Kingsway Camp Constituency and their names entered in the electoral roll of the said Constituency which comprised of two separate parts, namely Civil Lines and Subzimandi and separate serial numbers are assigned to both parts.

2. That between the 10th and 17th January, 1952, the Postal Ballot Papers of about 825 voters were removed or manipulated to be removed from the post office or post boxes or by the postmen concerned. The said respondent No. 1 was and is the Vice-President of the All India Postal Union and has benefited from disappearance of postal ballots.

3. That the respondent No. 1, Shri Jang Bahadur Singh, between the dates 12th January 1952 and 14th January 1952, with the assistance of his wife, Shrimati Gian Devi, got printed, distributed and affixed several posters in Hindi and Urdu, which were printed at Partap Electric Press, Gupta Printing Works and Saraswati Press of Delhi State and they falsely and maliciously described the petitioner as No. 10 Badmash and bad character and therefore unfit and undesirable as a member of the Delhi State Legislative Assembly. Copies of such posters were distributed and affixed in Kingsway Camp Constituency with the sole purpose of influencing and prejudicing the voters of the said Constituency against the Petitioner and lowering him in the estimation of all. The said posters materially and adversely affected the result of the election

which the petitioner lost. Copies of some of the posters abovementioned and their translations are filed along with the petition.

4. That the respondent, Shri Jang Bahadur Singh, paid Rs. 650 to Shri Ram Lal Sharma, respondent No. 3, on or about 11th January 1952, and Rs. 1,000 to Shri Dhanpat Rai, respondent No. 2, on or about 12th January 1952 at Delhi, in order to get them announced their withdrawal from the election contest in favour of respondent No. 1 abovenamed. The respondents Nos. 2 and 3 abovenamed actually made such an announcement on or about 12th January 1952 in a public meeting in the said Constituency at which the respondent No. 1 was also present.

Dated the 22nd April 1952.

Election Petition No. 10 of 1952

To

The Secretary,
The Election Commission,

Jaswant Singh, s/o L. Gulab Singh,
resident of 25/D Kamla Nagar, Subzi-
mandi, Delhi.

Versus

1. Jagan Nath, resident of Gali L. Ram
Roop, Subzimandi, Delhi.

2. Brahma Sarup, resident of
Shri Krishan Kutir, House No. XII/1828,
Malka Ganj Road, Subzimandi, Delhi.

3. Ram Prasad Poddar, resident of
House No. 7395, Inside Birla Mills, Subzi-
mandi, Delhi.

4. Sunder Dass, resident of 28/E
Kamla Nagar, Subzimandi, Delhi. Respondents.

Election Petition under Section 80/81 of the Representa-
tion of the People Act, 1951, questioning the election
of respondent No. 1 from the Constituency of Roshan
Ara (No. 25) for the Delhi State Legislative Assembly,
held on the 14th of January 1952, and challenging the
election as a whole as void.

The petitioner begs to challenge the above-noted
election on the following *GROUND*S :—

1. That the respondents named above were validly
nominated candidates for the Constituency of Roshan Ara
(No. 25) of Delhi State Legislative Assembly and that the
petitioner had also filed nomination papers for that
Constituency, but the same were rejected by the learned
Returning Officer at the time of Scrutiny under his
Order, dated the 10th December 1951, and that the rejection
was improper.

2. That the learned Returning Officer of the above-
noted Constituency rejected the nomination papers filed
by the petitioner on the ground that the age given in the
nomination papers did not tally with that given in the
Electoral Rolls. The rejection was improper as the
learned Returning Officer himself admits in his Order,
dated the 10th December, 1951, that there is a "little
disfigurement" in the Urdu Rolls. Originally the
Electoral Rolls in the Delhi State were prepared in Urdu
and the Rolls were first printed in Urdu only. English
or Hindi editions were printed much later and were based
on the Urdu Edition and for all practical purposes the
Urdu edition has been considered to be authoritative
within the State of Delhi. The learned Returning Officer
has erred in not giving the benefit of the "disfigurement"
in the Rolls in favour of the petitioner. The digit dis-
figured should be read as "zero" and not as "nine"—the
question of getting the age corrected so far as the Urdu
Edition of the Electoral Rolls is concerned did not arise.
The relevant printed leaf out of the Electoral Rolls of the
said Roshan Ara Constituency is attached herewith. A
certified copy of the nomination paper with the order of
the learned Returning Officer thereon is attached here-
with.

3. That, at the time of the Scrutiny of the nomination
papers of the petitioner no objection was taken to the
identity of the petitioning candidate. Instead of calling
for the establishment of the identity of the petitioner
before rejecting his nomination papers the learned
Returning Officer summarily refused to entertain any
proof of identity by the petitioner. As a matter of fact
even the learned Returning Officer had no doubt
whatsoever as regards the identity of the petitioner the
same Returning Officer accepted the nomination papers of
the petitioning candidate while scrutinizing the nomina-
tion papers filed in respect of another Constituency of
the Delhi State Legislative Assembly, namely Consti-
tuency of Chandrawal No. 24, although the age in these
nomination papers was also entered as 40 years. A
certified copy of the nomination paper filed for Consti-
tuency of Chandrawal with the Order of the Returning
Officer thereon is attached herewith.

4. The discrepancy as to age in the Electoral Roll if any
is a trifling matter and the disfigurement or mistake in
the digit of '9' is merely clerical and has not cast any
doubt in the mind of the learned Returning Officer as to
the identity of the petitioning candidate. The defect in
the entry of age is a mere technical defect particularly
when the identity of the petitioner is not doubtful in
view of the other entries in the Electoral Roll against the
name of the petitioner

5. The identity of the petitioner is established beyond
doubt. The rejection of the nomination papers as detailed
above was improper and that it has materially affected
the result of the Election.

It is, therefore, prayed that the election in respect of
the above noted Constituency may kindly be set aside as
void and that the petitioner be awarded costs of the
petition.

pura, Subzimandi Delhi.

Respondents.

Election petition under Section 80/81 of the Representa-
tion of the People Act, 1951, questioning the election
of respondent No. 1 from the Constituency of Aryapura

(No. 26) for the Delhi State Legislative Assembly, held on the 14th of January, 1952 and challenging the election as a whole as void.

The petitioner begs to challenge the above noted election on the following **GROUND**S :—

1. That the respondents named above were validly nominated candidates for the Constituency of Aryapura (No. 26) of Delhi State Legislative Assembly and that the petitioner had also filed nomination papers for that Constituency, but the same were rejected by the learned Returning Officer at the time of Scrutiny under his Order dated the 10th December, 1951, and that the rejection was improper.

2. That the learned Returning Officer of the above noted Constituency rejected the nomination papers filed by the petitioner on the ground that the age given in the nomination papers did not tally with that given in the Electoral Rolls. The rejection was improper as the learned Returning Officer himself admits in his Order, dated the 10th December, 1951, that there is a "little disfigurement" in the Urdu Rolls. Originally the Electoral Rolls in the Delhi State were prepared in Urdu and the Rolls were first printed in Urdu only. English or Hindi editions were printed much later and were based on the Urdu Edition and for all practical purposes the Urdu edition has been considered to be authoritative within the State of Delhi. The learned Returning Officer has erred in not giving the benefit of the "disfigurement" in the Rolls in favour of the petitioner, the digit disfigured should be read as "zero" and not as "nine" the question of getting the age corrected so far as the Urdu Edition of the Electoral Rolls is concerned did not arise. The relevant printed leaf out of the Electoral Rolls of the said Roshan Ara Constituency shall be produced as and when required. A certified copy of the nomination paper with the Order of the learned Returning Officer thereon is attached herewith.

3. That, at the time of the Scrutiny of the nomination papers of the petitioner no objection was taken as to the identity of the petitioning candidate. Instead of calling for the establishment of the identity of the petitioner before rejecting his nomination papers the learned Returning Officer summarily refused to entertain any proof of identity by the petitioner. As a matter of fact even the learned Returning Officer had no doubt whatsoever as regards the identity of the petitioner the same Returning Officer accepted the nomination papers of the petitioning candidate while scrutinizing the nomination papers filed in respect of another Constituency of the Delhi State Legislative Assembly, namely Constituency of Chandrawal, No. 24, although the age in these nomination papers was also entered as 40 years. A true copy of the nomination paper filed for Constituency of Chandrawal with the Order of the Returning Officer thereon is attached herewith.

4. The discrepancy as to age in the Electoral Roll if any is a trifling matter and the disfigurement or mistake in the digit of "9" is merely clerical and has not cast any doubt in the mind of the learned Returning Officer as to the identity of the petitioning candidate. The defect in the entry of age is a mere technical defect particularly when the identity of the petitioner is not doubtful in view of the other entries in the Electoral Roll against the name of the petitioner.

5. The identity of the petitioner is established beyond doubt. The rejection of the nomination papers as detailed above was improper and that it has materially affected the result of the Election.

6. That the Return of Election Expenses filed by respondent No. 1 has not been lodged with the Returning Officer in the manner required by law.

7. That the Return of Election Expenses as filed by respondent No. 1 is false in material particulars and the statement of expenses is not supported by proper vouchers. There are vouchers which do not bear the full particulars of payees (i.e., voucher Nos. 5, 8, 9, 10, 20, 25, 27, 37, 38, 43, 44, 50, 55, 62, 67, 69 and 75). There are vouchers which were not stamped at the time money was received but were stamped later (e.g. voucher Nos. 8, 15, 31, 43, 49, 54, 57, 67, 69, 73 and 75). These facts cast doubts as to the genuineness of the statement of expenses.

It is, therefore, prayed that the election in respect of the above noted Constituency may kindly be set aside as void and that the petitioner be awarded costs of the petition.

Petitioner.

Respondents.

The petitioner submits as follows :—

1. That the petitioner was duly nominated as a candidate for election to the Delhi State Legislative Assembly from Jhandewalan Constituency.

2. That the respondent No. 1 on the date of the election, which was 14th January, 1952, and on several days prior to the date of election by himself and through his agents had been spreading malicious and false propaganda that the petitioner was endeavouring to get votes in his favour in the said election on payment of money. This propaganda by respondent No. 1 and by the said persons on his behalf was absolutely false and intended to cause harm to the petitioner and for prejudicing the prospects of the petitioner's election to the Delhi State Legislative Assembly.

3. That the respondent No. 1 issued posters and exhibited big paintings and advertisements headed "Chandi Ka Juta" (the silver shoe) making wild and totally false insinuations and allegations against the petitioner. These posters, paintings and advertisements were published by the respondent No. 1 knowing fully well that they were wrong and that the petitioner had nothing to do and did not in any way distribute any money and were meant for harming the personal character and for prejudicing the prospects of the petitioner's election.

4. That liquor was freely distributed by the respondent No. 1 among voters of Jhandewalan Constituency with a view to inducing the voters not to vote for the petitioner and for inducing them to vote for the respondent No. 1 and to secure votes for him.

5. That the respondent No. 1 and with his connivance his agents have been distributing money to voters in the constituency inducing them to vote for respondent No. 1, or in the alternate to refrain at the voting in the election. This bribery at the instance of respondent No. 1 had been rampant in the entire constituency on the morning of 14th January, 1952, the date of election. On account of this corrupt practice of bribery the election has not been a free election.

6. That the respondent No. 1 and with his connivance his agents directly interfered with the free exercise of the electoral right by the voters in the constituency on the date of polling. The voters were not allowed to tender their votes, thereby several hundred voters could not exercise their votes. At polling station No. 11 at the office of Sahydhari Insurance Co., opposite Police Station, Paharganj, Delhi several thousand hooligans were collected by the respondent No. 1 and by his connivance by his agents at the time when the petitioner happened to be at the said polling station. The said crowd of hooligans challenged the petitioner to dare to come out of the polling station. The polling officer had to address the hooligans several times. Peace was intentionally disturbed at the said polling station No. 11 several times by respondent No. 1 and with his connivance by his agents. For keeping peace mounted police had to be called for and used several times to clear the besieged polling station. The Chief Commissioner, the Additional District Magistrate Delhi, the Magistrate-in-charge Mr. Sharma, Mr. Uttam Singh Magistrate, S. P. City, Area D.S.P. and Officer-in-charge Police Station Paharganj, Delhi and various other officers of the Delhi State Government were eye-witnesses to these acts of hooliganism, and disturbance of peace and direct attempt for interference in the exercise of electoral right by voters. All this interference was done at the instance of respondent No. 1 and with his connivance by his agents. The Polling Officers of the various polling stations in the constituency had been trying to ask the hooligans and the trouble mongers collected outside the polling stations by respondent No. 1 to allow the voters to come and to exercise their right of voting, but respondent No. 1 and his agents continued to harass the voters and interfere in the exercise of electoral right by voters.

7. That at polling station No. 12 Dharamshala Pandit Salig Ram near Jhandewalan Temple, the respondent No. 1 and with his connivance his agents attempted to stab the petitioner when he reached the said polling station. Hundreds of people at the instance of respondent No. 1 attacked the petitioner and the petitioner to save himself ran into the polling station. Several hundred men of the respondent No. 1 from provincial Head Office of the Jan Sangh situated adjacent to place tried to follow the petitioner in the polling station and disorder ensued and polling had to be suspended for about one hour in order to secure peace. At this polling station No. 12 as on the other polling stations of the constituency the voters who wanted to vote for the petitioner became frightened and anxious of their security and went away back to their homes without casting their votes. Those voters felt that their lives were in danger if they exercised their right of voting and that in favour of the petitioner. The result was that the petitioner lost a good number of votes by undue influence exercised by the respondent No. 1.

8. That the respondent No. 1 and with his connivance his agents terrorised the workers and supporters of the petitioner and threatened them that in case they worked for the petitioner dire injuries will be caused to their person and property.

9. On 14th January 1952 the day on which the election was held at polling station No. 9 amongst others the workers of the petitioner were attacked and beaten by respondent No. 1 and with his connivance by his agents. Several workers of the petitioner received injuries. Dr. Jagan Nath Verma who was also working for the petitioner was severely injured by the agents of respondent No. 1. Dr. Jagan Nath Verma remained unconscious for several hours on account of these injuries caused by the respondent No. 1 and his agents. Interference with the free exercise of the electoral right of the electors and undue influence was caused.

10. On 14th January 1952 the election day, Hukam Chand Ex-Frontier M.L.A. with about 50 men all acting on behalf of the respondent No. 1 attached the voters who were intending to vote for the Congress and the petitioner. Dr. Rup Lal Batra Municipal Commissioner

of the ward and active supporter of the petitioner was terrorised by said Hukam Chand and had to be rescued by the police. On account of this act most of the voters ran away and felt that it was not safe for them to exercise their right of voting. Women voters in several areas of the constituency did not stir out of their houses because they felt that it was not safe for them to go out for voting and that the respondent No. 1 was causing all possible interference and threatening the voters who supported the Congress.

11. Several thousand persons of the respondent No. 1 including teachers and students of Salwan School and several refugees from Faridabad and other camps at the instance of respondent No. 1, several in drunken condition, prevented the voters from moving about in the constituency for the purpose of exercise of their fundamental right to vote.

12. That the men of the respondent No. 1 used razor blades to cut the ropes of the tents affixed by the petitioner near the polling stations and thus caused disturbance of peace and did not allow the voters to exercise their votes. The respondent No. 1 personally addressed and instigated crowds at several polling stations not to allow voters to enter into the polling stations if those voters seemed to be supporting the Congress and the petitioner.

13. The respondent No. 1 employed bad characters and he himself with the help of those bad characters drunkards and other persons has been chasing the petitioner in the constituency from time to time on the 14th January 1952 and threatened the petitioner with injury and death and exercised undue influence.

14. That the respondent No. 1 did not allow the petitioner to come out of his motor to enter the polling stations and with his connivance his agents spread false and baseless rumours in the constituency on 14th January 1952 and frivolously said to every body that the petitioner had been arrested and later on said that the petitioner had been killed by any angry mob and that it was no use voting for a dead man. Even the officers of the police station in the area who reached the spot found such false and baseless rumours being spread.

15. That the respondent No. 1 and with his connivance his agents widely circulated false, malicious reports and reported to the police also that a boy had been seriously injured by the petitioner's motor and that the petitioner had been caught in the act of giving currency notes to voters and such currency notes had been recovered from him. To further augment these baseless allegations some currency notes were given by the respondent No. 1 himself to the Police alleging these to be unclaimed.

16. That votes had been cast in the polling in the name of persons who were dead or who on the day of polling were far away from Delhi. Scores of persons at the instance of respondent No. 1 and with his connivance and with the connivance of his agents obtained ballot papers in the name of other persons who were either dead or were not in Delhi on 14th January 1952 and fictitiously voted in the name of other persons in favour of respondent No. 1.

17. That two motor vehicles of Hakumat Lal Contractor, polling agent of respondent No. 1 were used for bringing the voters from Lakar Mandi to Jhandewalan temple and from Bagichi Alauddin to Datar High School and from M.M. Road to Narangkari Craft School at the instance of the respondent No. 1.

18. That on the morning of 14th January 1952 the respondent No. 1 along with the Jan Sangh and Akali Party workers and with his connivance his agents have been holding public meetings within the constituency urging people to vote against the Congress. Processions were also being taken on 14th January 1952 by the respondent No. 1 and his men against law carrying hanging shoe on a bamboo wrapped with silver colour leaf of cigarette cases.

19. That at several election meetings of the petitioner prior to 14th January 1952 the respondent No. 1 and with his connivance his men have been causing disturbance and have been inciting people to act in disorderly manner. Even the meetings addressed by prominent persons like Smt. Indira Gandhi and Central Government Minister Hon'ble Mahavir Tayagi and others were disturbed by bullocks having been let loose among the audience.

20. That the return of election expenses filed by the respondent No. 1 for the election in the above-mentioned constituency is wrong and much more expenses were incurred by the respondent No. 1 than declared by him. The returns of expenses are fictitious. The respondent No. 1 actually incurred much more than Rs. 2,000, the maximum permissible expenses under the rules.

21. That but for the votes obtained by the respondent No. 1 by corrupt and illegal practices the petitioner would have obtained a majority of votes and would have been declared as successful candidate in the election in the above-mentioned constituency of the Delhi State Legislative Assembly, as the petitioner lost the election by 105 votes.

22. The petitioner humbly prays that the election of the respondent No. 1 be declared to be void and the petitioner be declared to have been duly elected.

Delhi, the 24th April, 1952.
